| Returned check fee  | \$20.00  |
| Cash advance fee  | 2% of transaction amount, \$2.00 minimum; \$10 maximum   |
| Balance transfer fee  | None   |
| Minimum monthly payment   | \$15 or 2% of your new monthly balance, whichever is greater   |
| Replacement Card  | \$5.00   |

\*An Interest Charge will be imposed on credit purchases only if you elect not to pay the entire New Balance shown on your monthly statement for the previous billing cycle within 25 days from the closing date of that statement. If you elect not to pay the entire New Balance shown on your previous monthly statement within that 25-day period, a Interest Charge will be imposed on the unpaid average daily balance of such Credit Purchases from the previous statement closing date and on new credit purchases from the date of posting to your account during current billing cycle, and will continue to accrue until the closing date of the billing cycle preceding the date on which the entire New Balance is paid in full or until the date of payment if more than 25 days from the closing date.

The Interest Charge for a billing cycle is computed by applying the monthly periodic rate to the average daily balance of Credit Purchases, which is determined by dividing the sum of the daily balances during the billing cycle by the number of days in the cycle. Each daily balance of Credit Purchases is determined by adding to the outstanding unpaid balance of Credit Purchases at the beginning of the billing cycle any new Credit purchases posted to your account and subtracting any payments as received and credits as posted to your account, but excluding any unpaid Interest Charges.

An Interest Charge will be assessed on cash advances from the date of the cash advance, or the first day of the billing cycle in which the cash advance is posted, whichever is later, and will continue to accrue until payment in full is made. Cash Advances will be calculated in the same manner as explained for Credit Purchases.

Your account must be open to receive the year-end cash back offer.

**Here's how it works ...**

Cash credits are accumulated based on net retail purchases made using your Iowa State Bank Credit Card. Credits are valued and accrued based on the following grid:

| Yearly Purchases (June - May) |           |                |
|-------------------------------|-----------|----------------|
| Over                          | Up to     | CashBack Bonus |
| \$0                           | \$1,000   | .25%           |
| \$1,000                       | \$2,000   | .50%           |
| \$2,000                       | \$3,000   | .75%           |
| \$3,000                       | unlimited | 1.00%*         |

\* Earn up to \$750 annually.

Cash credits are calculated monthly when your account is in good standing, and you'll receive an update in your monthly statement. Purchase returns will decrease your calculated credits.

Your CashBack bonus will be applied to your statement annually in June, if your account is in good standing. If your account is not in good standing (i.e., cancelled, terminated, delinquent or otherwise not available to use for charges) at the time of distribution, your CashBack bonus will be forfeited for that year.

CashBack credits are not exchangeable or transferable.
